Dear Pastor and Friends,

Greetings to you in our Lord's Sweet Name.

July was a very busy month for us. We have had lots of rain during this month. We have also been busy with some personal problems in my family because of sickness. There is a mysterious fever getting to the people through mosquitoes. My son, Allen got it and he was admitted to the hospital. As I am writing this letter, my wife, Isabellal is in the hospital with this fever. She will be there for six days. Several hundred people from our churches have also suffered from this fever. Please pray for my wife and son and all our people for God's healing.

I have prepared a concordance for our Tamil Bible. It is 1100 pages on A4 size paper. It is at the print shop now. I pray it will help our pastors in preparing their messages to preach.

Our preacher boys did great follow up work after VBS and from our radio and tracts and John Gospels distribution ministries. As a result, we are looking to start a few more churches in the very near future. As a result of our door knocking and open air preaching, we had 745 souls saved and we have baptized 196 of them.

We are praying about purchasing a Xerox copier for the ministry. The School and the ministry have grown so much that we need copies made very often. As it is now, we have to go ten miles to get any copies made. In India, ten miles means one-hour trip so we are in need of an ordinary copy machine, not any thing fancy, just something that will make copies for us. If any one can help us with this project, please designate any funds you send "for copy machine." Your help will save us lots of time and money and we will appreciate it very much.

We always have a great need for church buildings. So many of our churches are still meeting outside or in someone's home or even having to meet in a different place each week. We always ask that you pray for our church-planting ministry because it is so important.

Let us remind you again that if you want to continue supporting the same student attending our Christian School that you have supported in the past, please contact Sister Rita as soon as possible at indiawitness@aol.com. When you email her, write "student" in the subject box so she will know it is an email about our students. The cost is \$50 for

the whole school year. This pays tuition, buys the uniform, books and some other supplies for the student. Your support of our students is a great blessing to them and their families and to us. She already has some of pictures and forms for the present school year and we are sending her many more but unless she knows you wish to continue your support, these students will be offered to others for support during my upcoming travel in the US beginning on August 18th.

Thank you for all your prayers and support of our ministry.

Because of Him,

Justus Baniel
